In the sequel to Northern Winters Are Murder, it's now high summer in Northern Ontario, where everyone is bear bait, even the bears. Gunshots chase Belle Palmer from her quiet forest paths. Then, on her remote lakeside road, the savage and unexplainable murder of an elderly neighbour puts her on guard against two-footed killers. Does the answer lie in the woods? In the alleys of the Nickel Capital? Or in the black rock moonscape of an ecological disaster area Belle's investigations gradually uncover the sordid details of a sexual abuse scandal in a residential school years before that has left scars on its victim that can never heal. The horrifying truth and its deadly fallout may destroy many more lives before this tragedy reaches its last act.
