The stunning conclusion to the Duplicity Duet from USA Today Bestselling Author Elisabeth Grace.

"No"

One word.

Two letters.

But those two letters changed everything.

It was impossible to predict the impact I would have on the life of the only woman I'd ever truly loved. No way to know that I would result in her ruin.

I'd suffer for eternity with the knowledge that it was me who brought devastation to her doorstep.

Though I deserved the anguish I felt, to see her suffer was unacceptable.

I would fix this.

Somehow I would prove to her that I wasn't the monster she thought I was.

Even if it meant becoming a monster in order to make that happen.
