*"You gonna just stand there or are you gonna get naked too...?"*

Dick is having second thoughts about coming to the Jellystone Campground for the summer with his parents. Now that he's 18, he's willing to give up the 6-year family tradition. The only thing that convinces him to come along is the thought of reuniting with his Campground friends Chase, Colt and Adam.

It turns out to be the Best. Decision. Ever., because the summer turns out to be more fun and SEXY than he could ever imagine...

After reuniting, Dick finds out that his friends, with whom he shared the past six summers in the campground, like to mess with each other. And with Dick in the picture? The more the merrier!

The following days take them to greater heights of heaven, as they fuck and suck each other whenever there's a chance; in the boat, in the shower room, in the camper, in the sauna, even in a haunted house with two new friends.

If only the summer would never end!

But as their parting gets nearer, they discover they might not have to wait for the next summer to see each other again...
