Life in Civil War America Michael J. Varhola

The Civil War is a fascinating time period in American history. Life in Civil War America will provide readers with fast facts and statistics about the 1860s from military life to civilian life in both the North and South. Topics covered will include: social and economic realities of daily life; common slang and idioms; diets of the era, including recipes, food preparation and the impact of shortages and inflation on rations; civilian dress; military dress; and technology of the time. The book focuses on the era, not just the events of the war. Period illustrations and photos will further illuminate the era.
