The Age of Recovery Elijah Noble El

The Age of Recovery is a poetry book that works on bringing forth both the light and the darkness that comes with being human. It's about moving on from your past, about not letting your pain define you. These poems recollect the moment your heart dies, and that moment it's reborn again. In essence the book is about the human condition, about storytelling, about immortalizing vignettes in life that mattered too much to let die.
