The playboy is a daddy!

Wild horses couldn't get Ethan Callahan to settle down...but a bundle of baby could. Especially when the child was his—and was hand delivered by the preacher's daughter! It was a good thing a full-grown woman came with the baby, because while Ethan was renowned for his know-how with females, he knew next to nothing about kids.

Dora Watkins had specific instructions from her sweet charge's mama to make certain Ethan would change his ways to care for his own. But the otherwise prim-and-proper Dora also wanted something in return from the playboy—a night in his arms.
