El yogui (Narrativa) (Spanish Edition)

Ramiro Antonio Calle Capilla

El yogui (Narrativa) (Spanish Edition) Ramiro Antonio Calle Capilla

Benarés, la ciudad santa de la India, ve nacer -o reencarnarse- a Devendrenath, en el seno de una familia brahmín, la casta tradicionalmente más privilegiada. Su infancia junto a sus hermanos Gupta y Mashi discurre apacible, bajo la protección de su padre viudo, pero pronto comienza a alentar en su corazón el afán de dar respuesta a las grandes cuestiones: ¿quién soy realmente? ¿Cuál es el sentido de la vida humana? ¿Es posible la felicidad en esta tierra?... Impelido por la necesidad de saber, comenzará un periplo que le llevará a convertirse en Ananda -que significa alegría, gozo-, un yogui errante cuya misión es buscar la dicha propia y contribuir a la de los demás; aprender y enseñar.//

En su azaroso trayecto, Ananda se topará con una galería de personajes excepcionales, como Lilavati, con la que conocerá los deleites del amor y la carne, o Swami Vicharananda, su maestro y mentor, que dejará honda huella en su ánimo y le ayudará a encontrar su auténtico destino.//

Ramiro Calle, el célebre precursor del yoga en España, es el autor de esta obra de culto, su predilecta, revisada y ampliada para la presente edición y que encierra en sus páginas el vasto tesoro de la sabiduría ancestral de la India, encarnada en la figura de un joven yogui cuyas peripecias y aventuras sumergen al lector en un itinerario fascinante. La concepción oriental del mundo y el ser humano, tan insólita y desconocida en nuestro entorno, se recoge aquí mediante una narración de extraordinaria belleza que depara multitud de enseñanzas; un legado perenne, de inefable valor.
