Rafael Fernández de Andraca

Hacia una nueva cultura Mariana (Spanish Edition) Rafael Fernández de Andraca

En este tercer volumen de la colección Mariología Kentenijiana, el autor aborda un tema central para el Padre Kentenich: La dimensión antropológica de la imagen de María. El fundador del movimiento de Schoenstatt considera de modo original la imagen de la Madre de Dios desde la óptica del tiempo actual. Ve en ella la gran señal de luz y esperanza que responde a los anhelos del hombre actual y que da respuesta a los grandes problemas de la época.
