Letters From Ruby Adam Thomas

When the newly ordained Episcopal priest Rev. Calvin Harper arrives in Victory, West Virginia, to be the pastor at an ailing parish, he has no idea how much he still has to learn about being a priest. Thankfully, Ruby Redding takes the young man under her wing and teaches him everything she has learned throughout her long, storied life. Seminary never taught Calvin that the only true way to be a witness to God's presence in this world is to remain in relationship with people no matter what life throws at them. His studies never taught him that detachment is the bane of ministry. He never learned that deep grief comes only from deep love. But in his first year in Victory, Calvin learns all this and more from Ruby, a woman so full of God's light that it can't help but spill onto the people around her.
