God's code of conduct is as relevant and insistent today as it's always been.

The landscape of contemporary society reveals that we neither know nor care much about the Law of God. There is:

- A general lawlessness in the lives of professing Christians.
- An absence of the fear of God in public worship and private living.
- A growing confidence in ourselves and doubt concerning God and His Word.

Amidst this moral crisis, the message of the Ten Commandments can give us order, direction, and hope.

With dynamic implications for how each of us lives every day, *Pathway to Freedom* will challenge you to think long and hard about the significance of God's Law.

“We have entered into a time of moral crisis in our culture and in the church as well. Stories about divorce, adultery, and the individualized picking and choosing of doctrines abound. *Pathway to Freedom* is forthright and necessary teaching that today's church cannot afford to ignore. How now shall we live? The beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments.”

—CHARLES COLSON, PRISON FELLOWSHIP MINISTRIES, WASHINGTON, D.C.
