## **Relatórios Estelares (Portuguese Edition)** Luciano Maia

Este compêndio reúne registros recuperados de um futuro, onde uma segunda chance foi dada à raça humana e à Terra, mas esta última não teve uma terceira chance, ela foi aniquilada em um cataclismo galáctico. Assim, os Remanescentes Terrestres redigiram e esquadriharam seus caminhos pelo Universo, os meandros dessas trilhas não foram codificados e não atingiram nosso tempo. Porém, nem todos. Um dos destinos atingidos fora um sistema estelar com planetas de massa sólida. Outras formas de vida inteligente foram encontradas nesse sistema, e Histórias tão ricas quanto a História da Terra cruzaram com a decadente humanidade, onde outras raças imigrantes também chegavam. As novas ameaças e perigos do convívio verdadeiramente inter-racial, nunca de fato experimentado por terráqueos, pode ter motivado a chegada desses registros até nós. Perder o lar não era o maior medo dos Remanescentes Terrestres e sim a Completa Extinção.
