Velvet Elvis

Rob Bell

Velvet Elvis Rob Bell

Perhaps more relevant than ever before, Rob Bell's Velvet Elvis is his original and bestselling classic. In Velvet Elvis, Bell invites readers to wrestle with their faith, and offers a radical new perspective on Jesus, the church, and Christianity today. We know there's something more. We sense it, we feel it, and we want it. But how do we find it - a spirituality that stands up to the questions of an honest, searching mind? 'This book is for those who need a fresh take on Jesus and what it means for us to live the kind of life he teaches us to live,' writes Rob Bell. This new edition of Velvet Elvis, along with the relaunch of Rob Bell's three other classic works, offers what Rob does best: original and refreshingly personal perspectives on what Christianity is really about. 'We have to test everything,' writes Bell. 'Do that to this book. Don't swallow it uncritically. Think about it. Wrestle with it. Just because I'm a Christian and I'm trying to articulate a Christian worldview doesn't mean I've got it nailed. I'm contributing to the discussion. God has spoken, and the rest is commentary, right?'

From reader reviews:

Malcolm Khan:

Have you spare time for any day? What do you do when you have much more or little spare time? Sure, you can choose the suitable activity to get spend your time. Any person spent their particular spare time to take a walk, shopping, or went to the Mall. How about open or read a book allowed Velvet Elvis? Maybe it is being best activity for you. You know beside you can spend your time using your favorite's book, you can smarter than before. Do you agree with it is opinion or you have some other opinion?

Diana Saffold:

What do you about book? It is not important together with you? Or just adding material when you want something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this Velvet Elvis to read.

Kate Sutton:

Reading a publication tends to be new life style within this era globalization. With examining you can get a lot of information that could give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. Many author can inspire all their reader with their story or even their experience. Not only situation that share in the textbooks. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some exploration before they write for their book. One of them is this Velvet Elvis.

William Perrotta:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information originating from a book. Book is published or printed or created from each source in which filled update of news. On this modern era like currently, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just trying to find the Velvet Elvis when you necessary it?
