Guillermo Calderón

Guillermo Calderón. Teatro II : Villa / Discurso / Beben (Spanish Edition) Guillermo Calderón

El segundo volumen de Teatro de Guillermo Calderón (Villa, Discurso y Beben) sigue explorando el tema de la violencia, pero ahora a través de una reflexión sobre la construcción del presente (y el futuro) a partir del pasado reciente, de la importancia de hacerse cargo de la Historia. A partir de una mirada generacional, esta trilogía –o gran obra en tres partes– provoca al lector por una cruda transparencia que se afirma de ciertas contingencias de la sociedad para develarla en toda su desnudez.
