*The Sexual Education of a Beauty Queen* is at once memoir, commentary, enlightenment, and a little dose of self-help. Taylor Marsh was Miss Missouri and performed on Broadway, hosted a radio show, and starred in a one-woman show. She was also a relationship consultant for the nation's largest newsweekly, edited the web's first megasuccessful women-owned and -operated soft-core pornography site, worked as a phone-sex actress, and studied sexuality and relationships for years. She's been single, a girlfriend, a mistress, and a wife. She has the inside track to what men want, what women need, and how we all tend to muck it up. As a political commentator and popular writer, Taylor is intelligent and inspiring. She blends personal experience, pop culture, and the politics of sex in an entertaining, engaging, and inspiring read.
