**Seeking Peace: Notes and Conversations along the Way** Johann Christoph Arnold

**Where can we find peace** of heart and mind--with ourselves, with others, and with God? Arnold says most people are looking in the wrong direction. In a culture that bombards us with feel-good-about-yourself spirituality, *Seeking Peace* is sure to satisfy a deep hunger. There is a peace greater than self-fulfilment, a peace greater than nations no longer at war. But it will demand a relentless pursuit kept up only by hope and courage, vision and commitment.

*Seeking Peace* explores many facets of humankind's ageless search for peace. It plumbs a wealth of spiritual traditions and draws on the wisdom of some exceptional (and some very ordinary) people who have found peace in surprising places.
