Today's embassy blends tradition and change. It accommodates multiple state and non-state actors who jostle on the international stage. This innovative study considers why embassies today are especially relevant to the international system, examining the new representation options and global diplomacy techniques in an information age.

Located at the cutting edge of sustaining relations with foreign countries, the embassy plays an expanded role of in bilateral, regional and multilateral affairs, as a promoter of national interests. As foreign ministries and diplomatic networks are expected to deliver more whilst material and human resources in public services are shrinking, this text addresses how embassies can improve their functioning, working in an enlightened, empowered and effective manner. Supported by empirical research and interviews with diplomats and other professionals, alongside unique insights into the experiences of developing countries, *The Contemporary Embassy* will be a valuable resource for diplomacy scholars and practitioners alike.
