The Four of Us: A Play

Itamar Moses

The Four of Us: A Play Itamar Moses

From the author of *Bach at Leipzig* (Faber, 2005) comes a new play about loyalty, integrity, and the price of success. When Benjamin's first novel vaults him into literary stardom, his friend David, a struggling playwright, is thrilled for his newfound success . . . or is he? Should Benjamin help David by using his new connections? Can David even expect such favors from his friend? More importantly, who should pick up the tab at lunch? Hailed as a writer who "makes the kinds of stylistic gambles that should be applauded" (Eric Grode, *The New York Sun*), Itamar Moses proves once again with this inventive exploration of the evershifting ground of friendship that he is a playwright to watch. *The Four of Us* will have its off-Broadway premiere in March 2008 at Manhattan Theatre Club.
