Amrita (Spanish Edition)

Alfredo de Braganza

Amrita (Spanish Edition) Alfredo de Braganza

La apasionante historia de la Frida Kahlo de India.

***Amrita* reconstruye con minuciosidad la fascinante vida de una artista cautivadora, polémica y comprometida con su propia libertad y con las luchas sociales de su país.**

Alfredo Braganza nos revela los amores, las pasiones estéticas, las transformaciones en su discurso social y la lucha por la liberación de la India de este imprescindible personaje, tan conmovedor y actual.

Hija de un aristócrata hindú y una música húngara de origen judío, **Amrita Sher-Gil** muestra desde niña un talento extraordinario para la pintura. Debido a las turbulencias políticas de la primera mitad del siglo XX, su infancia transcurre entre viajes constantes y ella crece en ambientes intelectuales cosmopolitas en los que descubre su vocación artística.

En su adolescencia viaja a París, justo en la época de gran efervescencia vanguardista, y se integra a la vida bohemia, entre numerosos encuentros con amantes de ambos sexos, deslumbrando a todos con su personalidad tempestuosa que se refleja en su obra y su vida cotidiana.

Conmovida por las condiciones adversas de los hindúes bajo el régimen inglés, decide regresar a la **India**, justo cuando empiezan los movimientos independentistas, comandados por Gandhi, a quien logra conocer, lo que transforma profundamente su visión de la realidad. Y no tarda en forjar su mito como la pintora más reconocida de su país, quien escandalizó a los círculos aristocráticos y se abrió paso, con actitud desafiante, en una sociedad tradicionalista dominada por el patriarcado.
