Gale was a strong swimmer -- but halfway across the lake she realized she couldn't make it to the other side ...Annabel and her three-year-old daughter turned suddenly -- and saw a car hurtling straight toward them ...Ken fell and his hunting rifle accidentally went off -- leaving him wounded, bleeding and alone in the frozen woods...and then they appeared! Angels do exist -- as illustrated in these moving,compelling and true contemporary accounts of ordinary people whose lives were touched and saved by the extraordinary.
