*Jonathan Williams*

## **Blues and Roots/Rue and Bluets: A Garland for the Southern Appalachians** Jonathan Williams

Jonathan Williams's poetry has been described as brilliant, sensuous, lyrical, quirky, suave, vital, joyful, sardonic, melodious, passionate, alive, pyrotechnic. This new, much enlarged edition of *Blues and Roots* displays all of the above. Williams has tramped the Appalachian Trail for decades, botanizing, jotting down specimens of authentic American speech, graffiti, superstitions, and nostrums—always curious, alert, and affectionately attentive. *Blues and Roots* focuses on the linguistic horizon of Appalachia in lyrics of wonder and light, of wit and comic incongruity, in found poems of the speech of his mountain neighbors. *Publishers Weekly* said of the earlier edition, "One of the most beautiful and evocative tributes to the Appalachians and its people yet published." *Blues and Roots* is a fine celebration; Williams is a joyful ringmaster.
