Eppure non sono un pessimista (Etcetera) (Italian Edition) Jürgen Habermas

Questo libro raccoglie due conversazioni di Enrico Filippini con Jürgen Habermas pubblicate rispettivamente sull'«Espresso» nel 1979 e su «Repubblica» nel 1986. Non semplici interviste, ma un lungo dialogo interrotto e poi ripreso, narrato con sensibilità letteraria e tessuto di silenzi, provocazioni, immagini. Al centro della discussione ci sono la crisi della Modernità e la dissoluzione della cultura di sinistra, i temi habermasiani della colonizzazione del «mondo della vita» operata dagli apparati di controllo sociale e della necessità di un nuovo «agire comunicativo» che ne ristabilisca lo spazio e la possibilità. Un dialogo, in costante tensione tra la proposta del filosofo tedesco e i dubbi incalzanti di Filippini, che si situa in un passaggio cruciale della recente storia culturale europea e che conserva intatta la sua carica epistemologica di riflessione sul presente.
