Independents Day: Awakening the American Spirit Lou Dobbs

From *The New York Times* bestselling author of *War on the Middle Class*, a powerful look at the critical issues facing America on the eve of the 2008 Presidential election

With up to a million viewers each day, *Lou Dobbs Tonight* has become one of the most popular news programs in the nation. Now Dobbs, whose last book, *War on the Middle Class*, captured the plight of working Americans, asks the question: What has happened to the American dream? By examining the disastrous public policy choices that have eroded individual liberties, reduced workers rights and pay, and led our nation into division at home as well as into conflict around the world, Dobbs charts a determined course that will restore the fundamental equality of rights and opportunity for all Americans. In a time of acute political turmoil, this is a book of vital importance from a revered independent.
