## **Réquiem (Portuguese Edition)** Lauren Oliver

No desfecho surpreendente e eletrizante da série Delírio, não se pode mais ignorar a revolução: ela tomou o país, suas cidades e sua população. Os Inválidos crescem a cada dia, e o conflito final se aproxima. Lena agora está do lado deles, mas não são apenas os ataques dos reguladores que ela precisa enfrentar. O retorno de Alex, que ela pensou que estivesse morto, e o reencontro com Hana, que foi pareada com o futuro prefeito e leva uma vida confortável, tumultuam ainda mais seus pensamentos. Em Réquiem, Lauren Oliver mostra que a revolução é um caminho sem volta, assim como a liberdade.

“Um romance em sua mais pura acepção, daqueles em que a ânsia por experimentar nem que seja o mais breve vislumbre de amor já vale o maior dos riscos.” **Kirkus Review**
