Software and technological entrepreneur Huie, who came to a search for deeper meaning later in life, has teamed up with artist and writer, Radmacher, who came to it earlier through her art. Point and counterpoint, they take the reader through a process to taking charge of their own lives. The key to living an inspired life is simple: accept your past; release your expectations; embrace your choices. The truth of the matter is that the more we like ourselves, the fewer expectations we have, and the way we make conscious choices — in everyday matters large and small are the keys to living an inspired life.
