Every enthusiastic crocheter will be glad to see this wonderfully good representation of “our Lindy’s” flying partner, originally designed in 1927 by Mrs. F.A. Wright. It may be used as a pillowtop, panel, chair-back, or as one may desire. In finer thread, framed under glass as a tray or coaster, it will prove interesting as well as attractive. In yarn, it will make a nice light afghan. This is not your usual scanned vintage crochet pattern. To make this pattern great for today’s crocheter I wrote complete instructions, expanded the written instructions so you won't need to skip around, and made an easy to follow chart. I also changed the written instructions to use modern US crochet terms. The only stitches you need to know to complete this lace are: chain stitch, single crochet, and double crochet.
