**Thinking German Translation (Thinking Translation)** Sandor Hervey, Michael Loughridge, Ian Higgins

This is a comprehensive practical course in translation for advanced students of German, which focuses on improving translation quality whilst clarifying the theoretical issues involved. This second edition brings the course up-to-date, and has been fully reworked to give clearer explanations of key terms and include revised chapters on genre, compensation and revision and editing.

Based on detailed analysis of translation problems, *Thinking German Translation* features new material taken from a wide range of sources, including:

- business and politics
- press and publicity
- engineering
- tourism
- literary and consumer-oriented texts.

Addressing a variety of translation issues such as cultural difference, register and dialect, *Thinking German Translation* is essential reading for all students wishing to perfect their translation skills. It is also an excellent foundation for those considering a career in translation.

Further resources, including a free teacher's handbook for the course, are available on the companion website at <http://cw.routledge.com/textbooks/0415341469/resources/default.asp>
