At No Man's Command (Harlequin Presents) Melanie Milburne

The shock engagement of the century!

It looks like our favorite tearaway, the notorious Aiesha Adams, is trying to change her spots. Inside sources have revealed that not only is she currently holed up in the Scottish countryside with the gorgeous aristocrat James Challender, but the pair are secretly engaged!

We've always had a soft spot for Aiesha, and with rumors of her unhappy childhood trailing her footsteps wherever she goes, we knew her wild streak hid something more. But we thought Aiesha and James were sworn enemies...perhaps when there are fireworks outside the bedroom, the sparks are just too impossible to resist!
