Cherise the Niece J. K. Benton

Edward Gorey meets *The Bunny Suicides* in a murderously funny tale from the creator of *It's Happy Bunny*

From the creator of the hugely successful *It's Happy Bunny* franchise comes a little piece of work named *Cherise*, who may be, it turns out, a not-so-nice niece. In the tradition of Edward Gorey's *The Gashlycrumb Tinies*, Jim Benton's first adult picture book, with hilarious rhymes and illustrations, is a darkly comic masterpiece of the macabre.

"She was orphaned quite young In a mysterious way, Her parents just up and vanished one day."

The bloody footprints leading out of *Cherise's* bedroom are the first clue that perhaps the little darling with the bow in her hair is not an angel. As *Cherise* is shuttled from one aunt's home to another, her aunts vanish, meeting inventive and hysterical ends. With a killer punch line on its final page, Jim Benton's *Cherise the Niece* will leave readers laughing.

From reader reviews:

Desiree Schwindt:

Book is usually written, printed, or outlined for everything. You can recognize everything you want by a e-book. Book has a different type. As we know that book is important point to bring us around the world. Beside that you can your reading talent was fluently. A book Cherise the Niece will make you to always be smarter. You can feel far more confidence if you can know about everything. But some of you think that open or reading the book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you in search of best book or suited book with you?

Amanda Lara:

A lot of people always spent their very own free time to vacation or go to the outside with them household or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity that's look different you can read some sort of book. It is really fun for you personally. If you enjoy the book that you simply read you can spent the whole day to reading a publication. The book Cherise the Niece it doesn't matter what good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. If you did not have enough space to bring this book you can buy often the e-book. You can m0ore quickly to read this book from your smart phone. The price is not to cover but this book has high quality.

Earl Casey:

You may spend your free time to read this book this e-book. This Cherise the Niece is simple to create you can read it in the park, in the beach, train in addition to soon. If you did not possess much space to bring the particular printed book, you can buy often the e-book. It is make you easier to read it. You can save often the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Bethany Zuniga:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book had been rare? Why so many concern for the book? But any people feel that they enjoy for reading. Some people likes reading through, not only science book but novel and Cherise the Niece or even others sources were given information for you. After you know how the truly amazing a book, you feel would like to read more and more. Science e-book was created for teacher or perhaps students especially. Those guides are helping them to bring their knowledge. In other case, beside science publication, any other book likes Cherise the Niece to make your spare time far more colorful. Many types of book like this one.
