Donovan Michaels thought he'd found the woman that he would spend the rest of his life with and he had only it wasn't the woman he was planning to propose to. He knew the moment that he'd awakened on one particular morning that it was going to be a hell of a day. He was almost late for his flight which caused him to be late for a very important meeting. And if it hadn't been for his trusted assistant his important meeting would have been a huge failure.

Oh, but that wasn't the worst of it the woman, that he was planning to ask to marry him was not the woman that he thought she was.

Fortunately, there was one woman he could always count on since childhood she was his trusted assistant, his go-to girl and his best friend, Ellie Colson. She had his back when no one else did whenever something happened she was the first person he'd go to. That's why he couldn't understand why it had taken him all these years to realize the woman he needed was right by his side the entire time.

However, it may not be so easy to convince Ellie of that she was determined not to get sucked in by his seductive ways and his playboy skills. She may be secretly in love with him, but she's nobody's fool so she wasn't buying his sudden confession undying love, which she figured was more likely a confession of undying lust.

Will Van be able to get Ellie go against her head and listen to her heart or will she continue to thwart his advances even though she's secretly loved him for years?
