**Ordinary Women, Extraordinary Wisdom: The Feminine Face of Awakening** Rita Marie Robinson  
Ordinary Women, Extraordinary Wisdom is a collection of intimate, heartfelt conversations with women spiritual teachers who live and look like ordinary people. They have kids, husbands, jobs, and bills to pay. What makes them extraordinary is that each woman has awakened to her true nature. And while that sounds like enlightenment, it doesn't look like the old stereotype of transcendence, detachment, and bliss. Quite the contrary. This is the feminine half of the spiritual journey?bringing it down to earth and embracing all of what it means to be human.
