**Silent Savior: Daring to Believe He's Still There** A. J. Gregory

What do you do when there's not even a still, small voice?

There are times in our lives when it's not just hard to hear God--it's impossible. We've all been there. Knowing on some deeper level that God is present no matter how things look, but still feeling the trickle of doubt. And wondering why the God whose faithfulness is never supposed to fail seems to be turning a giant deaf ear toward us. It's not always like this, but silent seasons are common in the life of any believer.

In *Silent Savior*, A. J. Gregory navigates that labyrinth of sorrow, pain, angst, and doubt on the way to a soul-deep recognition of God's infinite faithfulness and perpetual, if sometimes silent, presence. And she encourages you to keep believing he's there even when that silence seems deafening.

"Many of us tiptoe around the eggshells of the doubts and questions surrounding an intangible God. Gregory doesn't. And after reading this book, hopefully you won't either, but instead rest in a haven of depth and holy wonder."--Chris Seay, author

"In a beautiful and reflective way, Gregory reminds us we don't have to be embarrassed, afraid, or shocked to find the presence of God's silence in our lives."--Ron Martoia, author

"If you're looking for a book to move your stagnant faith, to stir the dry bones, and to bring truth to your life, you've got the right book."--Michael Franzese, author

A. J. Gregory is an accomplished freelance writer and the author of *Messy Faith*. Gregory is not afraid to seek out and expose the truth of the inner life--the good, bad, and ugly.
