**The Truth: What it Really Takes To Make it in Network Marketing** Brian et al. Cano, Paula English

This review is from a customer: I have been in the network marketing industry for 3 years and have read a lot of books -- this by far is the best. Most new marketers first question is -- "So, what do I do now?" -- this book answers that question and many more. I personally feel this should be the network marketers Bible. Read it and read it again. The author's humorous approach and style makes it extremely easy to read and understand. BUY it, FOLLOW it and you will do well.
