Engage,
Empower,
...and Go Viral!

Jesus told His followers that He would build His church, and then He told them to go and make disciples. It's that simple. We make disciples, and He builds the church.

But today we often get this exactly backward. We work hard to build our churches with programs and promotions while continuing to neglect the essential practice of discipleship. And we wonder why we struggle. In *WikiChurch*, Steve Murrell shows you how anyone can make disciples through the simple process of…

·   Engaging culture and community
·   Establishing spiritual foundations
·   Equipping believers to minister
·   Empowering disciples to make disciples

Imagine if every believer, not just leaders, was actively engaged in your ministry. That's the Book of Acts. That's a WikiChurch.
