## **American Conspiracy Files : The Stories We Were Never Told** Peter Kross

Conspiracy theories are not new to our modern time. They date back to biblical times when Moses sent his spies out to check out what the Egyptians were doing. Espionage is also linked to various conspiracies and is all mixed up in the same bag of tricks and form any decent conspiracy or theory. In this new, fact providing book by author Peter Kross called *The American Conspiracy Files: The Stories We Were Never Told*, the reader is given a tour de force through the world of conspiracies and conspiracy theories dating back to the time when this nation was first founded, right up until the modern day. Author Kross provides the reader with these fascinating and unbelievable stories in short, thought-provoking chapters that will both inform and educate the public to these little known tales from our past. Among the stories that are revealed are the circumstances surrounding the Lost Colony of Roanoke whose settlers simply left their homes and were never seen again. The tales of the deaths of Davy Crockett, Jesse James and Butch Cassidy and the Sundance Kid leave the reader wondering just what really happened to these iconic heroes, conspiracies in the Revolutionary War including Benedict Arnold and Ben Franklin's son, William. We delve into the large conspiracy to kill President Lincoln and see that John Wilkes Booth did not act alone. Our tale then goes into our modern day with chapters on the deaths of John F. Kennedy, Robert Kennedy, Martin Luther King, spies in the Roosevelt administration, the reasons behind the Oklahoma City bombing, the sordid plots of President Lyndon Johnson and the deaths of people associated with him, the revelation of "Deep Throat," a plot by the Joint Chiefs of Staff to invade Cuba and blame it on Castro, among other interesting tales. As author Kross did in his previous books, *Tales From Langley: The CIA from Truman to Obama* and *The Secret History of the United States*, these stories are a fascinating account of our hidden history, most of which the public has never heard of.
