Cadenas de diamantes (Bianca) (Spanish Edition) Julia James

Primero llevó sus joyas... y después él la chantajeó para acostarse con ella... Lucir aquellos valiosos diamantes era uno de los trabajos más prestigiosos que había hecho la modelo Anna Delane. Cuando las joyas desaparecieron, Anna quedó a merced del magnate griego Leo Makarios... Leo estaba seguro de que la exquisita Anna no era más que una vulgar ladrona y estaba dispuesto a hacer todo lo que estuviese en su mano para recuperar los diamantes. Así pues, la llevó a una exótica isla y se dispuso a poner en práctica su despiadado plan: antes de que se pusiera el sol, Anna sería suya y, cuando volviera a salir por el horizonte, la modelo sería libre de marcharse... Para entonces la deuda habría quedado saldada.
