Firebrand: A Loveswept Classic Romance Sandra Chastain

From beloved author Sandra Chastain comes the story of an unconventional arrangement between a willfully independent rancher and the headstrong hired hand who shows her the pleasure of losing control.

With the breeding season on the horizon at Silverwild Ranch, Rusty Wilder is in a pickle. To be taken seriously in the business community she needs a husband. But what Rusty *really* wants is a man who can stand back while she runs Silverwild *her* way. But it turns out that the guy who answers Rusty's Help Wanted ad is just too assertive, too untamed, and too handsome to keep from turning her entire life upsidedown.

Desperate to provide for his daughter as a single dad, Cade McCall ends up at Silverwild Ranch, where Rusty offers him a deal that seems too good to be true: a home and a job with "no experience necessary." Cade soon realizes that "no experience necessary" means that Rusty will be calling all the shots. If Cade can check his pride, he may have just landed in paradise. But controlling his desire for the feisty green-eyed rancher will take all the strength he has in his broad shoulders and hungry heart.
