****WARNING: Explosive, panty-soaking passion ahead... and this is just the beginning****

From the boardroom to the bedroom... office politics has never been so steamy.

Fresh out of grad school, Janie Beal is more than ready to join the adult world. Her new job at a tech startup in Silicon Valley is just the motivation she needs to put aside her neurosis and double town on her goals. Things just get better when she's assigned as one of the leads on a massive, game-changing project — the perfect place to prove herself.

The only problem?

Luke Magnus, well over six feet of brooding muscle and intensity — and CEO of Magnus, Inc.

Janie wants to keep her job and reputation. Luke wants to avoid scandal, litigation, and vulnerability.

And not necessarily in that order.

Now they have only days to prepare for a key presentation that could change everything. But with everything at stake, their passion might be the biggest risk of all.

Her boss. His employee. How can something so wrong, feel so right?
