Joseph J. Darowski

The Ages of the Avengers: Essays on the Earth's Mightiest Heroes in Changing Times Joseph J. Darowski

Comic book audience expectations have fluctuated dramatically through the years, and comic book creators have had to adapt to shifting hopes, fears and concerns among readers. One of Marvel Comic's most popular franchises for five decades, The Avengers have always been reflective of their times, and have adapted to an evolving readership to remain relevant. This collection of fresh essays by popular culture scholars examines Avengers story lines such as the Korvac Saga, Civil War, and Secret Invasion, and scrutinizes key characters including the Black Panther and Hank Pym. Essays explore how real-world events such as the Cuban Missile Crisis, the Vietnam War, the end of the Cold War, and 9/11 influenced popular entertainment in America.
