The Elementary Particles

Michel Houellebecq

The Elementary Particles Michel Houellebecq

An international literary phenomenon, **The Elementary Particles** is a frighteningly original novel—part Marguerite Duras and part Bret Easton Ellis—that leaps headlong into the malaise of contemporary existence.

Bruno and Michel are half-brothers abandoned by their mother, an unabashed devotee of the drugged-out free-love world of the sixties. Bruno, the older, has become a raucously promiscuous hedonist himself, while Michel is an emotionally dead molecular biologist wholly immersed in the solitude of his work. Each is ultimately offered a final chance at genuine love, and what unfolds is a brilliantly caustic and unpredictable tale.

Translated from the French by Frank Wynne.

From the Trade Paperback edition.

From reader reviews:

James Jean:

This The Elementary Particles book is not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is definitely information inside this guide incredible fresh, you will get details which is getting deeper a person read a lot of information you will get. This kind of The Elementary Particles without we recognize teach the one who reading through it become critical in thinking and analyzing. Don't be worry The Elementary Particles can bring if you are and not make your bag space or bookshelves' become full because you can have it within your lovely laptop even cellphone. This The Elementary Particles having good arrangement in word and layout, so you will not feel uninterested in reading.

Livia Wilder:

Playing with family within a park, coming to see the sea world or hanging out with buddies is thing that usually you could have done when you have spare time, subsequently why you don't try thing that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Elementary Particles, you could enjoy both. It is excellent combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout guys. What? Still don't understand it, oh come on its named reading friends.

Dwight Richardson:

In this time globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The particular book that recommended for your requirements is The Elementary Particles this publication consist a lot of the information in the condition of this world now. This book was represented how do the world has grown up. The terminology styles that writer value to explain it is easy to understand. The particular writer made some investigation when he makes this book. That's why this book suitable all of you.

Ricky Bodkin:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Elementary Particles can make you feel more interested to read.
