*Esther Earl*

**Una estrella que no se apaga (Spanish Edition)** Esther Earl

**Un testimonio conmovedor sobre el poder de la vida.**

**A Esther Earl le diagnosticaron cáncer de tiroides cuando tenía doce años. Murió en 2010, poco después de cumplir los dieciséis, pero antes inspiró a miles de personas.**

«Simplemente sé feliz, y si no puedes ser feliz haz cosas que te hagan feliz. O no hagas nada, pero con las personas que te hacen feliz.»

Esther Earl fue una adolescente con un talento y lucidez excepcionales, pero una adolescente normal, al fin y al cabo. Se esforzó por vivir con ilusión y generosidad, especialmente tras saber que su cáncer de tiroides era terminal.

El escritor John Green conoció a Esther en una convención de Harry Potter, y entre ellos nació una profunda amistad, tan profunda que el novelista le dedicó su novela *Bajo la misma estrella* y ha escrito el prólogo a este libro.

Desde 2010 John Green y sus seguidores celebran el Día de Esther cada 3 de agosto, en el que, a petición de Esther, se expresa el amor hacia amigos, familiares y personas importantes a las que no solemos decir «Te quiero».

Estas extraordinarias memorias recogen los diarios, cuentos, cartas y esbozos de Esther; además, las fotografías y escritos de su familia y amigos ayudan a narrar su historia, un testimonio conmovedor sobre el poder de la vida.

## **Reseñas:**

«Uno de esos libros excepcionales que cambiarán tu forma de ver el mundo.»

*Metro New York*

«Puedo oír la voz de Esther en cada entrada del diario. Leer este libro por primera vez resultó muy extraño y agradable, porque me sentí como si ella volviera a estar aquí. La voz de Esther era única, y se transmite magníficamente en sus escritos: su empatía, ingenio, tristeza y dulzura están intactos sobre la página.»

John Green para *The Boston Globe*

### From reader reviews:

#### Jose Campbell:

What do you think about book? It is just for students because they are still students or this for all people in the world, the actual best subject for that? Just you can be answered for that issue above. Every person has distinct personality and hobby for each other. Don't to be obligated someone or something that they don't want do that. You must know how great along with important the book Una estrella que no se apaga (Spanish Edition). All type of book are you able to see on many resources. You can look for the internet resources or other social media.

#### Jared Williams:

Here thing why this kind of Una estrella que no se apaga (Spanish Edition) are different and trustworthy to be yours. First of all reading through a book is good however it depends in the content of computer which is the content is as scrumptious as food or not. Una estrella que no se apaga (Spanish Edition) giving you information deeper and in different ways, you can find any guide out there but there is no guide that similar with Una estrella que no se apaga (Spanish Edition). It gives you thrill reading journey, its open up your own eyes about the thing that happened in the world which is possibly can be happened around you. It is easy to bring everywhere like in recreation area, café, or even in your way home by train. Should you be having difficulties in bringing the branded book maybe the form of Una estrella que no se apaga (Spanish Edition) in e-book can be your alternative.

#### Chris Walker:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your day time to upgrading your mind expertise or thinking skill also analytical thinking? Then you are having problem with the book compared to can satisfy your short period of time to read it because this all time you only find publication that need more time to be examine. Una estrella que no se apaga (Spanish Edition) can be your answer mainly because it can be read by you who have those short time problems.

#### Andrea Behnke:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Una estrella que no se apaga (Spanish Edition) can make you truly feel more interested to read.
