El lenguaje, como instrumento de comunicación, tiene una importancia capital para el desarrollo, los procesos de aprendizaje y la interrelación social. También los juegos son una herramienta para la interculturalidad, para el encuentro y la diversidad entre culturas, para el mestizaje, para la igualdad. Favorecer el desarrollo de los componentes del lenguaje a través de los juegos en una sociedad multicultural es clave y básico para los niños y niñas en fase de aprendizaje, sin olvidar que el lenguaje, además de ser una materia instrumental, es también una herramienta para acceder al resto de los aprendizajes.
