Brilliant research scientist Susan Silver has a career path carved out at her company. To move from manager to vice-president she has to get the president to notice her. Since he is on the corporate sports team, Susan decides that she too will join the team.

But Susan is no athlete. Her best friend and fellow manager, Ingrid the jockette, is already on the team, and Ingrid agrees to exaggerate reports of Susan's athletic talents if Susan promises to get a personal trainer and truly get in shape.

When she walks into the fitness club, personal trainer Feargal Burns pegs Susan as one of the hard-nosed businesswomen who frequent his gym. Fear is fascinated, but has vowed never to get involved with a woman more interested in a career than a husband and children.

Will these two polar opposites ever discover whether love runs true?
