**Slouching Toward Nirvana** Charles Bukowski

in this place

there are the dead, the deadly and the dying.

there is the cross, the builders of the cross and the burners of the

cross.

the pattern of my life forms like a cheap shadow

on the wall before me.

my love

what is left of it

now must crawl

to wherever it can crawl.

the strongest know that death is

final

and the happiest are those gifted with the

shortest journey.
