## **The Kensington Runestone: Approaching a Research Question Holistically** Alice Beck Kehoe

In 1898, a farmer in northwestern Minnesota unearthed a large stone engraved with what appeared to be Norse runes carved in 1362. Could medieval Scandinavians have penetrated deep into mainland North America over a century before Columbus discovered the New World? Does the stone provide evidence that forces a rewrite of American history, or was it merely a well-executed hoax? In the absence of written records documenting a Norse expedition into Minnesota, most historians have dismissed the Kensington Runestone as a forgery. However, Kehoe approaches the question holistically. She examines not only historical and literary evidence, but also brings in data from archaeology, geology, linguistics, and biological anthropology. She concludes that the stone's authenticity should not be dismissed as readily as it has been so far, even if that means re-thinking deeply ingrained ideas about contact between Europeans and indigenous Americans.

Spend your extra time to add your knowledge about your scientific research competence. Some people has different feel when they reading a new book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like currently, many ways to get book that you wanted.

#### **Charles Collier:**

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Kensington Runestone: Approaching a Research Question Holistically can make you really feel more interested to read.
