El abrigo de Proust (Impedimenta) (Spanish Edition) Lorenza Foschini

«Un libro único, fascinante y maravillosamente escrito sobre un detective literario antológico.»

Michael Ondaatje

El abrigo de Proust es la crónica de una obsesión literaria, una fascinante intriga bibliófila que desvela uno de los misterios más extraños de la reciente historia de la literatura.

Jacques Guérin, magnate parisino de los perfumes, vive obsesionado por los libros y por los manuscritos raros. En 1929, por azar, conoce a Robert Proust, hermano del célebre escritor de la monumental *En busca del tiempo perdido*, que ha muerto no hace mucho. Tras entablar relación con la familia del novelista, descubre que sus miembros, avergonzados por los textos de Proust y por su homosexualidad, se proponen destruir todos sus cuadernos, sus cartas y sus manuscritos, y malvender sus muebles. Poco a poco, a lo largo de décadas, y con ayuda de un ropavejero de aires filantrópicos, Guérin irá rescatando uno a uno los efectos personales de Proust, incluyendo, por fin, la reliquia que había llegado a codiciar más que ninguna otra cosa: el viejo y carcomido abrigo de piel de nutria con que Proust solía vestirse, y que usaba como manta por las noches mientras escribía la Recherche tumbado en su cama.
