How far would you go to find your soul mate?

Little did Scottish peasant girl Isobelle Aislinn McKenna know that when she prayed for divine intervention in 1414, her desperate plea would be answered by throwing her six hundred years into the future - right into the path of a bus in the heart of one of the busiest cities on the East Coast. Thankfully, Nick Peterson was there to tackle her out of its path. He's not happy about it, but both his conscience and his protective instincts kick in in a big way when he realizes Isobelle has nowhere else to go.

But how is he going to explain her to his girlfriend?
