Native Americans Today: Resources and Activities for Educators, Grades 4-8 Arlene Hirschfelder, Yvonne Beamer

Literature and educational books about Native Americans frequently present stereotypical images or depict the people as they existed hundreds of years ago. Seeking to dispel misrepresentations, this book examines Native American culture as it exists today as well as its historical background. Reproducible activities, biographies of real people, and accurate background information help educators present a realistic and diverse picture of Native Americans in the twentieth century. With each lesson, the authors include a suggested grade level, materials list, objectives, readings, activities, enrichment extensions, and a list of resources for further study. Chapters cover ground rules, homes and environment, growing up and growing old, a day in the life, communications, arts, economics, and socio-political struggles. Appendixes contain oral history guidelines, global information sources, lists of Native media, and related Web sites.
