## **Radical Edge (Superbolan)** Don Pendleton

A hijacked tanker train loaded with fuel quickly becomes a high-octane weapon targeted at a massive oil field outside Dallas. The domestic terrorist group behind this savage plot is intent on delivering a double blow of homegrown hell by sending the U.S. economy an incendiary shockwave and slaughtering an entire community of migrant oil workers.

Mack Bolan's mission turns into a death race to secure the speeding bomb and rescue the innocent hostages being used as human shields. When—and if—he succeeds, his directive expands to capturing the neo-Nazi leader *alive*. But Bolan's got a vengeance-hungry rogue FBI agent on his tail, taking aim at anyone standing in the way of his personal vendetta. And when the mission takes to the streets of Houston, Bolan joins a blood pursuit where only the winner survives.
