Vanessa is a successful, hardworking, independent, black women who had managed to climb her way up the corporate ladder, and into a high end leadership position at her fortune 500 company. She put her lives accomplishments down to avoiding encumbering relationships, and certainly didn't plan on being with someone in the near future.

However, Vanessa was unaware that her life was about to change drastically, when a hunk of a soldier named John stepped off the plane. John was as handsome as they come, and more importantly, a Navy Seal. He demanded respect wherever he went, and that's what he got. Their lives almost seemed intertwined as they bumped into each other almost everywhere and not before long, John changed from the handsome soldier off the street to a very familiar lover.

From lust to love they traveled, and they stood together in the face of one of life's greatest forks. When John is offered a chance to ship out again, will they acknowledge what they have and choose to cherish it, or write it off and hope, "maybe next time?"
