*Spiritual Brokenness* is a clarion call to believers to heed the words of Jesus by embracing the practice of dying to self as the key to spiritual fruitfulness. Readers of this book will come to understand that although salvation is instant, achieving Christ-likeness requires a process of dying to the dictates of the flesh.

Those saints who practice this sanctification process in their lives can become world changers. The author asserts that brokenness is a necessary part of becoming salt and light in the world, and to support his point, he provides examples taken from the lives of Bible characters and other saints who made a difference in their generation.
